

TWO CHARGED WITH ESPIONAGE AGAINST COUNTER-DRONE MAKER MYDEFENCE IN DENMARK

On 19 October 2026 Danish police detained two Ukrainian nationals, aged 18 and 21, in Nørresundby, North Jutland. On 20 October a court in Aalborg heard espionage charges against them under section 108 of the Danish criminal code: the two allegedly photographed the premises of MyDefence, a counter-drone manufacturer that has supplied Ukraine's forces, with one or more accomplices and sent the images via Telegram. The men deny the charges. The court did not remand them but allowed police to hold them for three more days; the hearing was closed.
