

RAILWAY SABOTAGE ON WARSAW-LUBLIN LINE (MIKA, GOŁĄB)

On 15–16 November 2025 an explosive charge damaged tracks near Mika and the overhead catenary was damaged near Gołęb on railway line no. 7 (Warsaw–Dorohusk). Prime Minister Tusk called it an unprecedented act of sabotage; prosecutors say it was committed on behalf of Russian intelligence.

DEGREE OF PROOF

OFFICIAL ATTRIBUTION

A government, a prosecutor, the EU, NATO or a UN body has formally named Russia, its services or its state-backed forces. This is a position of that authority, not a verdict.

WHO ESTABLISHED IT

Polish National Prosecutor's Office charged two Ukrainian citizens (Oleksandr K., Yevhenii I.) on 19 Nov 2025 with sabotage of a terrorist nature on behalf of Russian Federation intelligence; government publicly attributed the attack to Russian services.

LATEST

Both direct suspects fled to Belarus; Poland requested extradition. An alleged accomplice (Volodymyr B.) was detained 20 Nov 2025 and charged. No trial reported as of Oct 2026.

LINK TO THE WAR AGAINST UKRAINE

Line no. 7 is a key route for supplies to Ukraine via Dorohusk.

WHAT WE ASK OF MEMBER STATES

- Treat sabotage on your territory as part of Russia's war against Ukraine and its supporters.
- Share evidence across borders; support Eurojust and joint investigation teams.
- Sanction the GRU units and recruiters behind the operations.

Status follows four degrees of proof: court finding · official attribution · charged · suspected (suspected cases are listed only on the live page).
